

Indemnity Form

Your Cat Shack ensures that each enclosure is thoroughly washed and cleaned with Vet recommended F10 before and after each cat(s) visit.

No strange cats will be mixed together, only cats from the same family will share an enclosure, we do not have a general play area as the enclosures are spacious enough for the cats(s) comfort and play areas cannot be treated and cleaned after each cat has used it, which becomes a health risk.

Safety, health and cleanliness is of utmost importance to our boarders.

The Owner / Guardian of the cat(s) stated in the boarding form, board the cat(s) at Your Cat Shack (YCS) at their own risk.

1. Should the cat(s) become ill during the boarding period, the owner will be notified for fur instruction, if the owner is not reachable, the cat will be taken to the nearest vet for care and the owner will settle the vet bill directly with the vet, alternatively to YCS should the vet demand immediate payment for the treatment.
2. Although all the steps are taken to ensure the safety and well-being of each boarding cat, YCS will not be held responsible for any illness/injury/death during the cat(s) boarding period.
3. YCS will ensure that enclosures are secure and clean at all times during the boarding period.
4. Litter trays will be cleaned a minimum of 3 times a day (more frequently if necessary) to maintain a hygienic atmosphere.
5. All YCS boarders will be taken care of on a personal level by YCS owner and not any other person, unless the owner has become seriously ill/injured and needs to be hospitalized, whereby a family member will have access and will inform each cat owner.
6. All owners parking their vehicles on the property, do so at their own risk.
7. All cats must be brought in a secure cat travel crate / basket for safety purposes.
8. Should cats not arrive in a secure cat travel crate / basket and are carried in, this is done entirely at the risk of the cat owner / guardian and YCS will not be held responsible for an escapee.
9. Should a boarding cat not be collected within 48 hours (without notice to extend) of the boarding date the owner forfeits ownership of the cat and the cat will then become the "property" of YCS and the owner (Yvonne Rabeling) of YCS will make necessary alternative arrangements for the cat.
10. The owner of the cat boarding declares they have read and understand the contents hereof.
