

### **Important Information**

Your cat shack ensures that each enclosure is thoroughly washed and cleaned with Vet recommended F10 before and after each cat(s) visit.

No cats will be mixed together, unless the cats are from the same family and they are okay with sharing the same enclosure.

We do not have a general play area, as the enclosures are spacious enough for the cats. Comfort and play areas cannot be cleaned after each cat has used it, which becomes a huge health risk and our main objective is to keep all cat visitors safe and healthy.

### **SAFETY, HEALTH AND CLEANLINESS IS OF UTMOST IMPORTANCE TO OUR FURRY BOARDERS.**
